

Project Nineveh

One day of intense prayer asking God to reveal the truth and extend mercy on our nation.

WHAT TO DO:

- 1. Pray the 51st Psalm three times** with **arms outstretched** for repentance as a nation. ***Repentance precedes restoration.***
- 2. Do one hour of silent prayer.** If possible, pray before the Blessed Sacrament. Pray as if your life and your friends and families depended on it. It is now or never to save the nation and preserve democracy.
- 3. Fast** as Jonah instructed Nineveh to save it from destruction. Read **Jonah 3:1-10**. You will be inspired, and thus encouraged.
